WHAT WE DO ?

At our Coding Club, we specialize in six core areas: UI/UX, Data Science, Linux, Back-End Development, Front-End Development, and more. Each of these departments is managed by a pair of experienced members who excel in their respective fields. Together, we continuously improve and expand our expertise to foster growth and innovation.

MENTORS

Our Coding Club thrives under the expert guidance of Mr. Ashish Trivedi, the Head of the Department (H.O.D), and Ms.Siddhi Birwadkar, Assistant Professor. Their vast experience and knowledge provide us with invaluable insights and direction. Mr. Trivedi s leadership fosters innovation, while Ms. Birwadkar s mentorship ensures we stay updated with the latest industry trends.
